Seven Presidents betrayed best interests of grass roots population of the United States to promote their personal political fortunes

The names of Presidents Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson and Richard M. Nixon will certainly be found one day inscribed in big red letters in the official annals of the rise and fall of the United States. These seven masters of deception incurred their guilt by debasing their solemn oaths of office on behalf of undisclosed domestic and foreign principals without any apparent qualms or misgivings, to enhance their political fortunes totally oblivious of the threat to United States security and survival.

These seven masters of deception knowingly and willingly in effect and in fact "poisoned the wells" of security and survival for the United States. Without any evident scruples, they individually betrayed the sacred traditions enshrined in the letter and spirit of their oaths of office, that precious heritage bequeathed to each of these seven masters of deception as successors to that high office exalted by the immortalized first President of the United States, the venerated George Washington.

The disclosures which follow here are now revealed for the first time anywhere. They now expose for the first time to the grass roots population of the United States the secret un-American, non-American and anti-American strategy to which these seven masters of deception knowingly subscribed. The uninhibited practice of that strategy by these seven masters of deception is primarily responsible for desperate predicament in which the United States today finds itself in the Middle East.

Very early in their political careers, these seven masters of deception by their determination acquired their proficient skill in detecting on which side their political bread was buttered. Their remarkable perfection in that skill provides the answer to why these seven masters of deception went so far so fast in so few years in the political world in which they moved.

Throughout their political careers these seven masters of deception demonstrated that political shrewdness invariably identified with the immoral dogma of 20th century politicians who preach and practice "any means justifies all

ends." Accordingly, future grass roots populations of the United States will one day find inscribed in the history of the rise and fall of the United States the verdict that the "means" today advocated by these seven masters of deception were primarily responsible for the "end" of the United States.

It is today a well recognized fact of life in political circles in the United States that the censorship exercised today by Zionists over the media for mass information constitutes a virtual monopoly. It is likewise today a well recognized fact of life in political circles in the United States since President Wilson won his first election in 1912 as President of the United States, that elections in the United States are seldom won or lost today based upon the candidates' qualification for office. Elections in the United States since 1912 are won or lost on the battlefields of the media for mass information by character assassination.

Zionist ownership of media for mass information, or by Zionist control exercised by some devious corporate device in effect and in fact censors the news and editorial policies of all the leading daily and Sunday newspapers, all the weekly and monthly news magazines, all leading radio and television stations and networks, the entire motion picture industry, the entire entertainment world and the entire book publishing industry, in effect and in fact the entire complex of media for mass information in the United States, truly a brainwashing monopoly.

Talmudists ("Jews") censor news and editorial policies of all media for mass information for Zionists to brainwash grass roots population

As a result of that condition in the United States, for approximately the past fifty years the grass roots population of the United States has only read, heard and seen what passed Zionist censorship and best served Zionist objectives, instead of reading, hearing and seeing what best served the interests of the grass roots population of the United States.

The Zionist-ruled media for mass information in the United States never informed the grass roots population of the United States how and why President Woodrow Wilson lied the United States into the desperate predicament in which the United States today finds itself in the Middle East. In their consideration recently of the alleged theft of the so-called Pentagon Papers, the United States Supreme Court declared "the public has a right to know the truth." The

Supreme Court should have said "the public has a right to know the WHOLE truth." The reason half-truths often are more harmful than lies.

The United States declared war against Germany on April 6, 1917. On April 2, 1917 President Wilson addressed both houses of Congress and pleaded with them to declare war against Germany. President Wilson's appeal to Congress to declare war against Germany in effect and in fact was primarily President Wilson's liquidation of his obligation to his blackmailers. The following incontestible facts confirm that conclusion beyond all question of any doubt.

President Wilson's hand trembled as he read his address. The members of Congress present had no reason to suspect why President Wilson's hand trembled. By the time the grass roots population finish reading this issue of Common Sense, they will know the reason President Wilson's hand trembled as he read his message to Congress. By the time President Wilson finished reading his appeal to Congress, many of his listeners were in tears but not for the reason the grass roots population of the United States today will be in tears when they finish reading this issue of Common Sense.

When President Wilson asked Congress to declare war against Germany, President Wilson was in effect and in fact conspiring to pay the debt he obligated himself to pay to the Zionists. Congress only declared war against Germany because President Wilson informed Congress that a German submarine had sunk the S. S. Sussex in the English Channel in violation of international law and that United States citizens aboard the S. S. Sussex had perished with the ship.

After General Pershing's troops were fighting in Europe, the hoax was exposed. The alleged sinking of the S. S. Sussex was used as the "pretext" to justify a declaration of war against Germany by the United States. The S. S. Sussex had not been sunk and no United States citizens had lost their lives. The United States was now at the war in Europe as Great Britain's ally. That is what Great Britain and the Talmudists ("Jews") of the world conspired to achieve in their crooked diplomatic underworld.

The discovery of the hoax by the British Navy shocked many honorable Englishmen. A large segment of the British public were shocked to learn the S. S. Sussex had not been sunk. The S. S. Sussex was available for anyone to visit who might care to do so to see the S. S. Sussex for themselves with their own eyes. In that war the United States mobilized 4,734,991 men to serve in the armed forces, of whom 115,516 were
